

WORKING DRAFT

Dear

The California Commission on Disability Access is interested in improving the support received by state departments in their effort to implement disability civil rights laws. Toward that end, the commission has developed the attached informal survey in attempt to obtain data useful in planning for enhanced support. The commission has no enforcement. It is merely trying to better understand what the status of the state of California's regarding this important matter.

Your time and input would be greatly appreciated if you would complete the 10 brief items in the attached survey and return them to the commission office.

If you have questions, please contact the commission at 916-319-9974. Your participation in this survey is deeply appreciated.

Regards,
